

REMARKS

The specification is amended to incorporate by reference the disclosures of the priority applications and to insert headings. A new Abstract is provided which conforms to USPTO requirements. Claims 1-18 are cancelled and rewritten as claims 19-36 to eliminate multiple dependency, remove characterizing clauses, and to assure infringement at the time the goods are sold, prior to being put into use.

Entry is in order. Early and favorable examination on the merits is respectfully requested.

To the extent necessary during prosecution, Applicant hereby requests any required extension of time not otherwise requested and hereby authorizes the Commissioner to charge any required fees not otherwise provided for to counsel's Deposit Account 07-1337.

Respectfully submitted,
